Invitation

The Department of Veterinary Surgery and Radiology, College of Veterinary Science and Animal Husbandry, Nanaji Deshmukh Veterinary Science University (NDVSU), Jabalpur, Madhya Pradesh, cordially invites you to participate in 48th Annual Congress of the Indian Society for Veterinary Surgery and National Symposium on **“Integrated Horizons in Veterinary Surgery and Imaging: From Scalpel to Screen”** from February 26–28, 2026. This prestigious event aims to bring together academicians, researchers, field and private practitioners, postgraduate students and specialists to share their expertise and insight in the emerging fields of Veterinary Surgery and Radiology. The symposium will be highlighted by keynote addresses, scientific paper presentations and discussions, focusing on the latest advancements and challenges in the domain. We are enthusiastic to host this significant gathering in the historic city of Jabalpur, also known as the “Sanskardhani.” We believe your participation will greatly enrich the intellectual exchange and collaborative spirit of the event. Please mark your calendar for February 26–28, 2026, and join us in making this congress a resounding success.

Dr. Apra Shahi
Organizing Secretary

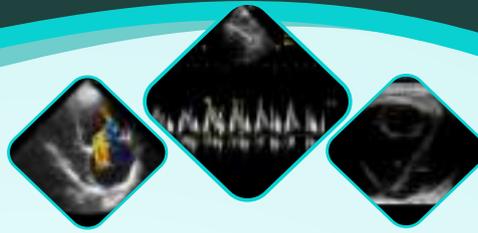

About the Host Institute

Nanaji Deshmukh Veterinary Science University, Jabalpur was established on 3rd November, 2009. It comprises of three Veterinary Colleges located in Jabalpur, Mhow and Rewa, along with School of Wildlife Forensic and Health, Animal Biotechnology Centre, College of Fishery Science and five Veterinary Polytechnic Colleges offering undergraduate, postgraduate and diploma courses.

The college was inaugurated on 8th July, 1948 by Shri Jaisamdes Doulatram, the then Food and Agricultural Minister, Government of India. Dr. M.Y. Mangrulkar was the founder Principal of the college. In 1964, this institute became one of the eight constituent colleges of newly established Jawaharlal Nehru Krishi Vishwa Vidyalaya, Jabalpur. The college is currently engaged in teaching, research, extension and clinical activities catering the needs of students, veterinarians, farmers and pet owners.

The Department of Veterinary Surgery and Radiology was established in the year 1952 and over the years has developed into one of the best components of the College. The department caters its specialized services all over the state. It has advanced diagnostic imaging facilities including CT scan, 80 kW X-ray machine, CR System, Ultrasound, Echocardiography, Colour Doppler and Pulse Wave Doppler along with Ophthalmic, Orthopaedic, Physiotherapy and Laparoscopy/Gastroscopy unit. A pioneering Prosthetic Limb Fitting Unit — the first of its kind in any Indian Veterinary institution dedicated exclusively to animal care is going to be inaugurated soon. This specialized unit focuses on designing and crafting artificial limbs for amputee animals, utilizing advanced orthotic materials and a state-of-the-art artificial limb moulding oven and 3-D printer.

About Jabalpur
