

MoEF&CC, GoI, NEW DELHI SPONSORED TRAINING ON

Introduction to Wildlife Health and Forensics

20th May–22nd May 2024

Organizing Team

Chief Patron

Prof. (Dr.) S.P. Tiwari
Hon'ble Vice-Chancellor
NDVSU, Jabalpur

Chairperson

Dr. Shobha Jawre
Director,
School of Wildlife Forensic and Health,
NDVSU, Jabalpur

Course Director

Dr. Devendra Podhade,
Assistant Professor cum Scientist,
School of Wildlife Forensic and Health,
NDVSU, Jabalpur

Co - Course Directors

Dr. Somesh Singh, Associate Professor, SWFH
Dr. K. P. Singh, Assistant Professor, SWFH
Dr. Kajal Jadav, Assistant Professor, SWFH
Dr. Nidhi Rajput, Assistant Professor, SWFH
Dr. Amol Rokde, Assistant Professor, SWFH

Registration Details

Eligibility

Students pursuing post-graduate degrees (Masters and PhD) in Veterinary Science and Wildlife Science are eligible to apply. The number of participants is limited to 30 and selection will be based on first come, first serve basis.

Registration Procedure

- No registration fee is required.
- Register through the link: <https://forms.gle/GcUQfNc8BxqUaHuU6>
- Do submit the soft copy (pdf format) of the duly filled and signed application form through email at swfhndvsutraining@gmail.com

Travel and Accommodation

- The travel expenditure of short listed participants maximum upto Rs. 2500/- will be reimbursed (Train fare limited to AC III tier class or state transport buses by shortest route) on the submission of TA bills.
- Lodging and boarding facilities will be provided to the nominated participants.

Important Dates

Last date of registration : 13th May 2024
Intimation of selection : 14th May 2024

- Dr. Devendra Podhade,** E-mail: drdevendrapodhade@rediffmail.com & Contact No:8269580640
- Dr. Kajal Jadav,** E-mail: kaju_364@rediffmail.com & Contact No:9826188448

Organizing Institute & Venue

School of Wildlife Forensic and Health, Nanaji Deshmukh Veterinary Science University,
Veterinary College Campus, South Civil Lines, Jabalpur-482001 (M.P.)

ABOUT THE TRAINING PROGRAMME

The training has been sponsored by the Ministry of Environment, Forest and Climate Change (MoEF&CC), New Delhi to support motivated PG/PhD scholars with a strong willingness towards excellence in scientific research pursuits. The programme is an effort to enhance the research potential of promising PG and PhD students from universities and colleges on the specific theme of wildlife.

The training has been designed to make students aware of the current perspective and scenario in the field of wildlife health and forensics. Training includes introduction to wildlife health, importance of wildlife species and their role in the ecosystem, overview of wild animal capture methods, demonstration of remote drug delivery system biological sample collection for disease investigation, toxicological and forensic analysis, morphological and molecular techniques used in wildlife forensics and lectures on recent advances in wildlife health and forensics.

ABOUT NANAJI DESHMUKH VETERINARY SCIENCE UNIVERSITY

The Nanaji Deshmukh Veterinary Science University was established on 3rd November 2009 with 6 constituent units i.e. School of Wildlife Forensic and Health, Animal Biotechnology Centre, College of Veterinary Science and Animal Husbandry at Jabalpur, Rewa and Mhow and College of Fishery Science, Jabalpur. The School, Colleges and Centres are offering B.V.Sc and A.H., B.F.Sc, M.Sc., M.V.Sc, M.F.Sc and Ph.D degrees programmes. The university also have five veterinary polytechnics colleges offering two years diploma course in animal husbandry. Various scientific training for stakeholders are also been conducted by the university, besides different services to society. The University has state of art laboratories, library facilities with communication through video conferencing and comprehensive networking to keep the faculty and students updated.

ABOUT THE SCHOOL OF WILDLIFE FORENSIC AND HEALTH

In the year 1994, Veterinary College, Jabalpur was selected as one of the Nodal Centres under Indo-US collaborative program entitled "Indian Wildlife Health Cooperative (IWHC)." Its main aim was to support regular wildlife health monitoring, diseases diagnosis and research activities. In the year, 2001, "Department of Wildlife Health and Management" was established under Veterinary College, Jabalpur, which was upgraded to an independent Centre named "Centre for Wildlife Forensic and Health" under Madhya Pradesh Veterinary Science University, Jabalpur (renamed as Nanaji Deshmukh Veterinary Science University) in the year 2010. Since then, the Centre is engaged in wildlife health monitoring, disease diagnosis and forensic investigations in collaboration and assistance from Madhya Pradesh Forest Department and developed expertise in the aforesaid areas. The Centre was further upgraded to the School of Wildlife Forensic and Health in November 2016 and functioning with three Divisions i.e. Division of Wildlife Health, Division of Wildlife Forensic and Division of Wildlife Investigation and Diagnostics.

SWFH imparts M.V.Sc and Ph.D. degree programme in Wildlife Health Management as well as PG Diploma in Wildlife Health Management. Till date, 06 Ph.D. degrees, 33 M.V.Sc degrees and 1 diploma have been awarded.

Besides fulfilling the basic objectives of teaching and research activities, SWFH also provides veterinary assistance for conservation of endangered native wild animal species in and around protected areas of central India. The services of SWFH has been utilized by Ministry of Environment, Forest and Climate Change, New Delhi, Central Zoo Authority, New Delhi, National Tiger Conservation Authority, New Delhi, World Wildlife Fund, India as well as State Forest Departments of Chhattisgarh and Maharashtra.

CERTIFICATE OF PARTICIPATION

Certificates will be issued to the participants who will attend all the sessions.

* All the rights are reserved to the Course Director and the decision regarding selections, shortlisting of the candidate including cancellation of the event in case of any untoward situation shall be final and binding.
